

Syllabus, academic year 2019 / 2020

Description of the course

Uniwersytet Medyczny we Wrocławiu
KATEDRA I KLINIKA CHIRURGII
UROLOGII DZIECIEŃCEJ
ul. M. Curie-Skłodowskiej 52
50-369 Wrocław
tel. 71 770 30 01, faks: 71 770 30 00

Course Name:	Practical Clinical Teaching – chosen specialty: Pediatric Surgery	Group of detailed education results	
		Group code (E or F): F	Group name: Interventional Clinical Sciences
Faculty	Medicine		
Major	Medicine		
Specialties	not applicable		
Level of studies	X Uniform magister studies		
Form of studies	X full-time part-time		
Year of studies:	VI	Semester:	X summer (april/may)
Type of course	X obligatory		
Course	X major		
Language of instruction	Polish X English other		

* mark with an X

Number of hours

Form of education

Unit teaching the course:	Lectures (L)	Seminars (SE)	Auditorium Classes (AC)	Major classes - not clinical (MC)	Clinical Classes (CC)	Laboratory Classes (LC)	Conditions (CSC) Classes in Simulated	Practical Classes with Patient (PCP)	Specialist Classes – master studies (SCM)	Foreign language Course (FLC)	Physical Education obligatory (PE)	Vocational Practice (VP)	Self-Study (Student's own work) (SS)	E-learning (EL)
---------------------------	--------------	---------------	-------------------------	-----------------------------------	-----------------------	-------------------------	---------------------------------------	--------------------------------------	---	-------------------------------	------------------------------------	--------------------------	--------------------------------------	-----------------

Winter semester:

Not applicable					Not applicable									
----------------	--	--	--	--	----------------	--	--	--	--	--	--	--	--	--

Summer semester:

					180									
--	--	--	--	--	-----	--	--	--	--	--	--	--	--	--

Total per year:

					180									
--	--	--	--	--	-----	--	--	--	--	--	--	--	--	--

Educational objectives: (max. 6 items)

- C1. Skills in basic surgical dressings.
- C2. Skills in plaster dressings in fractures in children.
- C3. Skills in suturing of basic wounds.
- C4. Skills in proceeding typical injuries in children.
- C5. Skills in basic movements in laparoscopic trainer.

Education results matrix for course in relation to verification methods of the intended education result and the type of class :

Number of course education result	Number of major education (E or F group)	Student who completes the course knows/ is able to Please enter from 5 to max. 7 education results -- examples of verbs defining the education result in the scope of student's knowledge: uses, performs, resolves	Methods of verification of intended education results (forming and summarising)	Form of didactic class ** enter the abbreviation
S 01	F.U2.	can use basic surgical tools;	Verbal test	CC
S 02	F.U4.	can suture basic wound and change sterile surgical dressing;	Verbal test	CC
S 03	F.U8.	perform acute limb immobilization, chose type of immobilization which is necessary in typical clinical cases, control correct limb blood supply after immobilization dressing;	Verbal test	CC
S 04	F.U3.	applies the asepsis and antiseptis rules;	Verbal test	CC

** L - lecture; SE - seminar; AC - auditorium classes; MC - major classes (non-clinical); CC - clinical classes; LC - laboratory classes; SCM - specialist classes (master studies);

CSC – classes in simulated conditions; FLC – foreign language course; PCP – practical classes with patient; PE – physical education (obligatory); VP- vocational practice; SS – self-study; EL- E-learning.

Please mark on scale 1-5 how the above effects place your classes in the following categories: communication of knowledge, skills or forming attitudes:

Skills: 4

Student's amount of work (balance of ECTS points):

Student's workload (class participation, activity, preparation, etc.)	Student Workload (h)
1. Contact hours:	180
2. Student's own work (self-study):	90
Total student's workload	27
ECTS points for course	10
Comments	

Content of classes (please enter topic words of specific classes divided into their didactic form and remember how it is translated to intended educational effects))

Lectures – not applicable

Seminars – not applicable

Classes

1. Surgical dressings.
2. Immobilization in injuries in children.
3. Wounds suturation.
4. Basic surgical tools.
5. Laparoscopic trainer.

Other - etc....

Basic literature: (list according to importance, no more than 3 items)

Not applicable

Additional literature and other materials: (no more than 3 items)

Not applicable

Didactic resources requirements: (e.g. laboratory, multimedia projektor, other...)

Not applicable

Preliminary conditions: (minimum requirements to be met by the student before starting the course)

Not applicable

Conditions to receive credit for the course (specify the form and conditions of receiving credit for classes included in the module/course, admission terms to final theoretical or practical examination, its form and requirements to be met by the student to pass it and criteria for specific grades)

Active participation in classes and test of practical skills

Grade:	Criteria: (only for courses/module ending with an examination)
Very good (5,0)	Not applicable
Above good (4,5)	
Good (4,0)	
Sufficiently good (3,5)	
Sufficient (3,0)	

Name of unit teaching course:	Department of Pediatric Surgery and Urology, Medical University of Wrocław, Poland
Address	Curie-Sklodowskiej 52, 50-369 Wrocław
Phone	(71)7703001/(71)7703003
