Education result matrix for module/course in relation to verification methods of the intended education result and the type of class

Number of course education result	Number of major education result	Student who completes the module/course knows/is able to	Methods of verification of intended education results (forming and summarising)	Form of didactic class <i>**enter the abbreviation</i>
W 01	B.W30	Student knows library website as main source of information about library, its resources, services and rules.	Questions verifying students familiarity with the library website, guidelines, rules, services.	EL
W 02	B.W30	Student knows basic bibliographic, library terms and concepts, basic electronic and traditional the Library resources.	Questions about terminology and types of sources.	EL
W 03	B.W30	Student knows various search methods of computer catalogues. Student can develop various search strategies.	Questions about search strategies of computer catalogues.	EL
W 04	B.W30	Student knows e-books, e-journals collections, bibliographic and full-text databases and platforms.	Test of familiarity with available resources.	EL
U 01	B.U12	Student knows how to search for information on library website.	Questions testing knowledge about library website.	EL

U 02	B.U12	Student knows how to use electronic catalogues, find didactic material.	Testing students skills of searching online catalogues, OPAC.	EL
U 03	B U 12	Student understands terms of library science.	Questions about terminology and types of sources.	EL
U 03	B.U12	Student is able to use electronic resources, search services and tools in the process of learning.	Questions about ability to retrieve information relevant to needs.	EL
K 01		Student is creative in the process of learning	The score analysis and assessment of students independence and creativity in using didactic materials.	EL
K 02		Student understands the need for constant learning and development.	Correspondence, Function "Ask the Librarian" Survey.	EL

** L - lecture; SE - seminar; AC – auditorium classes; MC – major classes (non-clinical); CC – clinical classes; LC – laboratory classes; SCM – specialist classes (magister studies); CSC – classes in simulated conditions; FLC – foreign language course; PCP practical classes with patient; PE – physical education (obligatory); VP – vocational practice; SS – self-study, EL – E-learning .

Please mark on scale 1-5 how the above effects place your classes in the following categories:
communication of knowledge, skills or forming attitudes:

Knowledge:++

Skills:+++

Social competences:+.

Student's amount of work (balance of ECTS points)

Student's workload	Student Workload (h)
--------------------	----------------------

(class participation, activity, preparation, etc.)

1. Contact hours:	10
-------------------	----

2. Student's own work (self-study):	3
-------------------------------------	---

Total student's workload	13
--------------------------	----

ECTS points for module/course	0,5
-------------------------------	-----

Comments

Content of classes (please enter topic words of specific classes divided into their didactic form and remember how it is translated to intended educational effects)

Lectures

Seminars

Practical classes

Subject topics: The Library website, library information system, holdings, e-resources, services, basic bibliographic terms and library concepts, localization of documents, computer catalogues, search

methods of computer catalogues, retrieving information from traditional and electronic sources.	
Other	
Basic literature (list according to importance, no more than 3 items)	
<ol style="list-style-type: none"> 1. Didactic materials available in the e-course "Library information" on the Library's website http://www.bg.umed.wroc.pl/library-information.html 2. Resources available on the Library's website bg.umed.wroc.pl/eng/ 3. Educational tools that are part of catalogues, bibliographic and full-text services subscribed by the Library. (help, tutorials) 	
Additional literature and other materials (no more than 3 items)	
Didactic resources requirements (e.g. laboratory, multimedia projector, other...)	
Internet access, access to computer, remote access to the Library's e-resources – registration at https://csa.umed.wroc.pl/ .	
Preliminary conditions (minimum requirements to be met by the student before starting the module/course)	
Lack of preliminary conditions.	
Conditions to receive credit for the course (specify the form and conditions of receiving credit for classes included in the module/course, admission terms to final theoretical or practical examination, its form and requirements to be met by the student to pass it and criteria for specific grades)	
Multi – choice test, passing score over 60%.	
Grade:	Criteria (only for courses/modules ending with an examination)
Very Good (5.0)	
Good Plus (4.5)	
Good (4.0)	
Satisfactory Plus (3.5)	
Satisfactory (3.0)	

Name and address of module/course teaching unit, contact: telephone and e-mail address

Library of Wrocław Medical University, Marcinkowskiego 2-6, 50-368 Wrocław,
