

4

Syllabus for academic year: 2021/2022														
Training cycle: 2019-2024														
Description of the course														
Course	General Surgery										Group of detailed education results			
											Group code	Group name		
											E	General clinical sciences (non-surgical)		
Faculty	Dentistry													
Major	dentistry													
Level of studies	X uniform magister studies													
Form of studies	X full-time X part-time													
Year of studies	III						Semester:		X winter				X summer	
Type of course	X obligatory													
Language of study	X English													
Number of hours														
Form of education														
	Lectures (L)	Seminars (SE)	Auditorium classes (AC)	Major Classes – not clinical (MC)	Clinical Classes (CC)	Laboratory Classes (LC)	Classes in Simulated Conditions (CSC)	Practical Classes with Patient (PCP)	Foreign language Course (FLC)	Physical Education (PE)	Vocational Practice (VP)	Directed Self-Study (DSS)	E-learning (EL)	
Winter semester:														
Department of General, Minimally Invasive and Endocrine Surgery														
Direct (contact) education		15			20									
Distance learning	10													
Summer semester:														
Department of General, Minimally Invasive and Endocrine Surgery														
Direct (contact) education					20									
Distance learning	10													
TOTAL per year:														

1. Number of hours of direct contact:	55
2. Number of hours of distance learning:	20
3. Number of hours of student's own work:	75
4. Number of hours of directed self-study	
Total student's workload	150
ECTS points for course	6
Content of classes:	
Lectures	
<ol style="list-style-type: none">1. Wounds. Purulent infections of the skin. Burns and frostbites.2. Injuries of the head, neck, thorax and abdomen.3. Shock. Hemorrhages.4. Vascular surgery.5.
